our legacy, their future

## Welcome

Dear {FIRST\_NAME|For our Grandchildren Supporter},

As our parliament considers Bill C-38, an omnibus budget bill that would vastly transform our environmental protections in the absence of transparent public discussion, For Our Grandchildren is joining with colleagues across the country to say: **Silence is Not an Option.**

Today, with over 400 other groups, we're darkening our [website](#) and sending a single, unified message to decision-makers: **Protect our Canadian values.** Our land, water, and climate. Our communities. Our human rights and democracy.

Sign this [petition](#) to send a message now to your member of parliament and party leaders.

Visit [BlackOutSpeakOut](#) to read more, to join the campaign, and to access tools to make your voice heard. Speak Out on [twitter](#), [facebook](#), and through your networks. Email or call your MP. And follow [#blackoutspeakout](#) during the day for updates and to join the conversation. In this historic Canadian moment, your voice has never been more important.

Thank you for speaking out and for standing up for Canada and for the environment.
